

## Antibiotic Stewardship Programs and Program Development

Resource	Description
<b>Centers for Disease Control and Prevention</b> <i>Program Development</i> <a href="https://www.cdc.gov/getsmart/community/improving-prescribing/program-development-eval/program-development/index.html">https://www.cdc.gov/getsmart/community/improving-prescribing/program-development-eval/program-development/index.html</a>	A document that provides guidance in planning a successful Get Smart: Know When Antibiotics Work program. This resource contains suggestions for implementing small activities and large events.
<b>Centers for Disease Control and Prevention</b> <i>Health Literacy, Cultural Competency, and Sustainability</i> <a href="https://www.cdc.gov/getsmart/community/improving-prescribing/program-development-eval/health-literacy.html">https://www.cdc.gov/getsmart/community/improving-prescribing/program-development-eval/health-literacy.html</a>	Tools and resources for health literacy, cultural competency and sustainability.
<b>Centers for Disease Control and Prevention</b> <i>Evaluation Resources</i> <a href="https://www.cdc.gov/getsmart/community/improving-prescribing/program-development-eval/evaluation.html">https://www.cdc.gov/getsmart/community/improving-prescribing/program-development-eval/evaluation.html</a>	Tools for program evaluation.
<b>Centers for Disease Control and Prevention</b> <i>State and Local Activities</i> <a href="https://www.cdc.gov/getsmart/community/programs-measurement/state-local-activities/index.html">https://www.cdc.gov/getsmart/community/programs-measurement/state-local-activities/index.html</a>	State activities, state and local funding and antibiotic stewardship implementation resources for states.
<b>Centers for Disease Control and Prevention</b> <i>National Activities</i> <a href="https://www.cdc.gov/getsmart/community/programs-measurement/state-local-activities/index.html">https://www.cdc.gov/getsmart/community/programs-measurement/state-local-activities/index.html</a>	Get Smart program information; national strategies and plans; Related CDC education programs.
<b>Centers for Disease Control and Prevention</b> <i>Global Activities</i> <a href="https://www.cdc.gov/getsmart/community/programs-measurement/global-activities.html">https://www.cdc.gov/getsmart/community/programs-measurement/global-activities.html</a>	Information about antibiotic stewardship efforts around the world.
<b>Centers for Disease Control and Prevention</b> <i>Measuring Outpatient Antibiotic Prescribing</i> <a href="https://www.cdc.gov/getsmart/community/programs-measurement/measuring-antibiotic-prescribing.html">https://www.cdc.gov/getsmart/community/programs-measurement/measuring-antibiotic-prescribing.html</a>	US statistics on antibiotic prescribing data and the importance of measuring and tracking trends.
<b>Centers for Disease Control and Prevention</b> <i>Tracking Antibiotic-Resistant Infections</i> <a href="https://www.cdc.gov/getsmart/community/programs-measurement/tracking-ar-infections.html">https://www.cdc.gov/getsmart/community/programs-measurement/tracking-ar-infections.html</a>	A list of the CDC tracking platforms that are used to gather antibiotic related data.
<b>Centers for Disease Control and Prevention</b> <i>Joint Statement on Importance of Outpatient Antibiotic Stewardship from 12 National Health Organizations</i> <a href="https://www.cdc.gov/getsmart/community/partners/joint-statement.html">https://www.cdc.gov/getsmart/community/partners/joint-statement.html</a>	Joint statement on importance of outpatient antibiotic stewardship.
<b>Centers for Disease Control and Prevention</b> <i>Research Articles</i> <a href="https://www.cdc.gov/getsmart/community/materials-references/research-articles.html">https://www.cdc.gov/getsmart/community/materials-references/research-articles.html</a>	An abbreviated list of articles regarding appropriate antibiotic prescribing and use as well as antibiotic resistance.
<b>Centers for Disease Control and Prevention</b> <i>Press Materials</i> <a href="https://www.cdc.gov/getsmart/community/materials-references/research-articles.html">https://www.cdc.gov/getsmart/community/materials-references/research-articles.html</a>	Tools designed for media use, including a press kit, public service announcements and other materials.

<p><b>Centers for Disease Control and Prevention</b>  <i>Social Media Messages</i>  <a href="https://www.cdc.gov/getsmart/community/materials-references/social-media.html">https://www.cdc.gov/getsmart/community/materials-references/social-media.html</a></p>	<p>Sample posts for social media outlets showing your support of antibiotic stewardship.</p>
<p><b>Centers for Disease Control and Prevention</b>  <i>Web Tools</i>  <a href="https://www.cdc.gov/getsmart/community/materials-references/web-tools.html">https://www.cdc.gov/getsmart/community/materials-references/web-tools.html</a></p>	<p>Tools available to put on your website or send out electronically to promote appropriate antibiotic prescribing.</p>
<p><b>Centers for Disease Control and Prevention</b>  <i>Get Smart About Antibiotic Week</i>  <a href="https://www.cdc.gov/getsmart/week/index.html">https://www.cdc.gov/getsmart/week/index.html</a></p>	<p>Link to the CDC's Get Smart Week 2017 information.</p>
