I would like to invite you to participate in the Exhibit Show at the **2018 Nebraska Healthcare Quality Forum** on Thursday, June 7th, 2018. The Nebraska Association for Healthcare Quality, Risk and Safety (NAHQRS) is delighted to again sponsor this year's Exhibit Show. Approximately 375 healthcare professionals (nurses, physicians, hospital CEOs, directors of nursing and quality improvement professionals) from across Nebraska are expected to attend. Each year the Exhibit Show is a grand success and we hope to continue to provide another valuable and beneficial experience. **With several hundred healthcare professionals from all regions of the state in attendance, the Quality Forum is an opportunity for great exposure.**

The Exhibit Show has a restricted amount of space; therefore, NAHQRS will be limiting the number of vendors. Tables are reserved on a "first come-first serve" basis. The fee (\$350) includes a six-foot table, electricity, internet access and refreshments and lunch for two individuals. The receipt of payment will secure your organization's booth. Registration fees are non-refundable. Profits from the Exhibit Show will help sponsor the closing speaker for the Quality Forum and professional education offerings by NAHQRS throughout the year.

Vendor set-up time is at 6:30 a.m. on Thursday, June 7th, 2018. You can set up the prior evening if that is more convenient for you. We ask vendors to be set up prior to 7:30 a.m. Quality Forum attendees will begin to visit the Exhibit Show during registration. The Quality Forum program will begin at approximately 8:30 a.m.

There will be a morning break and an hour lunch break for participants to visit the Exhibit Show. Our experience has been a continuous stream of participants during the morning and lunch breaks with enthusiastic and complimentary attendees. We plan to remove the afternoon Exhibit Show time; we believe this is a better use of your time.

*The Nebraska Healthcare Quality Forum is hosted by the Great Plains Quality Innovation Network, the Medicare Quality Innovation Network-Quality Improvement Organization (QIN-QIO) serving Kansas, Nebraska, North Dakota and South Dakota and co-sponsored by the Nebraska Coalition for Patient Safety and NAHQRS.*

**Please note: We are unable to provide a list of conference attendees to exhibitors.**
