

Top 5

*Questions you can
ask your healthcare
provider about*

Antibiotics

1. “Do I really need an antibiotic?”
2. “Can I get better without this antibiotic?”
3. “What side effects or drug interactions can I expect?”
4. “What side effects should I report to you?”
5. “How do you know what kind of infection I have? I understand that antibiotics won’t work for viral infections?”
